EDUCATION

Electronics Engineering Degree German University in Cairo -GUC, Expected in June 2027 • Grade: A+

• GPA: 0.87 (0.7 Based)

Thanaweya 3ama Collège De La Sainte Famille - Jésuites, Cairo July 2023 • Grade: 95.3%

LANGUAGES

English:

Upper intermediate (B2)

French:

Upper intermediate (B2)

German:

Elementary (A2)

MARC VICTOR BESHAY

SUMMARY

Top ranking **Electronics Engineering student** at the **GUC**. Developer and maintainer of **botrosghattas.com**.

SKILLS

- Circuit analysis & design
- Python
- RESTful API design
- AWS

- Arduino programming
- NodeJS + Frameworks
- Linux systems
- Git versioning control

EXPERIENCE

October 2023 - Current Self-Employed - Full Stack Developer Developing and maintaining botrosghattas.com. Writing clean, maintainable code using various frameworks:

- NodeJS
- HTML + CSS (Bootstrap & TailwindCSS)
- JavaScript / TypeScript
- NextJS
- NestJS
- MongoDB

July 2021

Dell Technologies - Star Bootcamp - Internship

• A 2-weeks program that aimed to equip us with a set of cross-functional interpersonal skills applicable to all areas of life + technology-focused trainings to make us up to date with the latest IT technology.

ACCOMPLISHMENTS

- Ranked top 20 over 950+ engineering students in the GUC.
- Received the DAAD (German Academic Exchange Service) scholarship for being a top-ranking engineering student in the GUC. Completed a partially funded, 4-weeks, German A2 language course in Ulm, Germany, improving language skills and cultural understanding.
- Received the DAAD Extra Exceptional Scholarship/Fund for being a top ranked GUC student

HOBBIES

- Tinkering with circuits and microcontrollers
- Exploring practical engineering challenges through hands-on projects and prototyping
- Spending hours to automate tasks that could take minutes to complete
